Presents

Statement regarding the military operation in the “Seriq Boya” village in the Wilayah of Kashgar

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Alhamdulillah who said in His noble Book: (Permission (to fight) is given to those upon whom war is made because they are oppressed, and most surely Allah is well able to assist them) 39 Surah Al-Hajj, and peace and blessings be upon His messenger who said: “O’ Quraysh! I swear by the One in Whose hand is my soul, that I am bringing you slaughter”. Then:

Statement regarding the military operation in the “Seriq Boya” village in the Wilayah of Kashgar

After the assistance and guidance of Allah the mujahidin united their ranks in the “Seriq Boya” region and rose up as lions against a group from the dogs of the Chinese government in 23 March 2013, and did the duty of jihad for the sake of Allah, and according to the Chinese news agency 15 from the senior heads of the Kufr have been killed. Alhamdulillah.

With this event we have several stances:

—

We congratulate the Ummah of Islam in general and the proud nation of Turkestan in particular, and congratulate our brothers the mujahidin, who conducted this blessed operation, and support their action and encourage them to more of that.

—

Those mujahidin took hold of their religion and answered the call of the Lord of the Worlds who says in His noble Book: (Go forth light and heavy, and strive hard in Allah's way with your property and your persons; this is better for you, if you know) 41 Surah At-Taubah

—

Those sincere brothers choose the life of pride and dignity and preferred the status of the martyrdom for the sake of Allah over the life of humiliation and servility. Allah Almighty says: (Therefore let those fight in the way of Allah, who sell this world's life for the hereafter; and whoever fights in the way of Allah, then be he slain or be he victorious, We shall grant him a mighty reward) 74 Surah An-Nisa

—

Those righteous mujahidin conducted this action to support their oppressed Muslim brothers, Allah Almighty says describing the characteristics of the believers: (And those who, when great wrong afflicts them, defend themselves) 39 Surah Ash-Shura

—

Allah facilitated for those to join the caravan of the mujahidin in a time when many were deprived from joining it. So their reward was the best reward they were killed for the sake of Allah and gained by that martyrdom Allah willing, and our prophet peace and blessing of Allah be upon him: "Whoever is killed protecting his wealth, he is a martyr. Whoever is killed protecting his blood, he is a martyr. Whoever is killed protecting his family, he is a martyr". Narrated by Tirmidhi. We ask Allah to accept from our brothers and make them among the martyrs.

—

As for the Chinese government, we only say to the criminal Chinese communists as Omar bin Al-Khattab may Allah be pleased with him said: "Our dead are in Janaah and your dead are in hellfire".

—

As for the families of the martyrs and prisoners we say to them: The one who has been chosen as martyr has won so do not be sad over them, rather be proud from what Allah Almighty have graced them since Allah have honoured you by bringing out from your backbones such people, so congratulations for their intercession for you on the Day of Judgement, and we recommend that thank Allah for these many blessings.

We ask Allah to give patience and steadfast to the prisoners and their families and increase their reward and facilitate for them relief and salvation! Amen! Allah Almighty said: (And reckon not those who are killed in Allah's way as dead; nay, they are alive (and) are provided sustenance from their Lord) 169 Surah Aal-e-Imran.

—

O' Muslims in proud Turkestan! Today the duty of jihad for the sake of Allah is obligatory on you, and what you are suffering from injustice and oppression by the Chinese government is a reason that urges you to onrush against it.

—

What was done by those brothers is from the jihad for the sake of Allah which Allah have ordered us and encouraged us to it, and on the other hand we find the scholars of the authority trying to at the behest of communists to drive you away from this great worship that will retrieve your pride and glory, and they today are describing our brothers the mujahidin as terrorists and bloodthirsty, and that is a fabrication against the religion of Allah Almighty. Allah Almighty says: (O Prophet! strive hard against the unbelievers and the hypocrites and be unyielding to them; and their abode is hell, and evil is the destination) 73 Surah At-Taubah, and that shows us that intensity and ruggedness against the Kuffar isn't a demerit in our religion, rather it is from the characteristics of the sincere believers, Allah Almighty says: (Muhammad is the Messenger of Allah, and those with him are firm of heart against the unbelievers, compassionate among themselves) 29 Surah Al-Fath.

—

The government of China wants to deceive the Muslims that these actions are for the sake of sectarianism, and we say that the Jihadi operations which we launch against the government of China are an obligation in our noble religion.

—

And it is not a secret to the discerning that the aggressive government of China is not sparing any effort in planning for the apostasy of the Muslims from their religion and is working very hard to distort the correct Aqeeda of the Muslims which the most valuable thing owned by the Muslim which should be firm in his hearts like the mountains.

—

Those brothers have rose up to defend their Aqeeda and protect their religion and expel the assaulting enemy from their country. And with the will of Allah the One and Only we will continue our blessed jihad until the word of Allah is the most high and live in pride under the Islamic Sharia.

O' Muslims of proud Eastern Turkestan! We are ruled by atheists who attribute their fathers and forefathers to monkeys, only because our indulgence with the order of Allah Almighty and not adhering to the teachings of Islam and sitting back from the worship of jihad for the sake of Allah Almighty. So we have to wake up from our deep sleep since the enemy is plotting against us in day and night.

The Chinese communists have assaulted our religion, and killed the teachers, Ulema and honourable, and put them in the depths of prisons, and dominated us with Chinese rulers who were brought to our land for that purpose, so they polluted the minds of our children by

teaching them their culture and beliefs by force, and they are banning us from our obligations in Islam like the woman adhering to the Hijab, and the man growing the beard.

The Chinese Kuffar are dragging our Muslim people to the abyss of Kufr, and if we obey them in what they want we will be like them, and the way to prevent them from that is carrying arms and doing jihad against this criminal enemy, and our brother martyrs became certain from all that we have mentioned so the result was what the Chinese saw from them.

O' Muslims of proud Eastern Turkestan! Do not believe the media of the scholars of the Chinese communist authority. Disowning from the mujahidin and misrepresentation of the Sharia ruling as distorting the image of jihad, and accusing the martyrs that they are not Muslims, as have been claimed by the Khateeb of the communist government "Juma Tahir", since we are certain that their efforts fall in the interest of the Chinese government and gives support to it, and makes the Muslim stand in its rank against Islam and Muslims.

So we recommend all the Turkestani Muslims to pay attention to these poisonous statements of the scholars of the communist authority, and we also warn the callers to communism, who have nothing to do with the religion, we say to them if you don't say the truth then it is better for you to be silent.

O' Chinese oppressors! Every injustice will end, and the destiny of the truth is to prevail over falsehood even if that takes some time. Allah Almighty says addressing His prophet: (And say: Truth hath come and falsehood hath vanished away. Lo! falsehood is ever bound to vanish) 81 Surah Al-Isra.

And Allah have promised to perfect His light even if the Kuffar hate it, Allah Almighty says: (They desire to put out the light of Allah with their mouths, and Allah will not consent save to perfect His light, though the unbelievers are averse) 32 Surah At-Taubah.

O' Chinese oppressors be aware that our religion orders us to repel the assault in the same way as Allah Almighty said: (whoever then acts aggressively against you, inflict injury on him according to the injury he has inflicted on you) 194 Surah Al-Baqara.

O' communist Kuffar you will not be able to make the Muslims apostate from their religion, the sun cannot be covered with a sieve, we are mujahidin who are determined to destroy your throne to live under the Islamic Sharia or taste martyrdom as the master of martyrs Hamza may Allah be pleased with him have tasted it.

O' faithful mujahidin in Turkestan! O' you brave men who went out for the worship of jihad by their souls and money despite of the precautions and measures of the enemy! Here is martyrdom looming which was wished by the prophet peace and blessings of Allah be upon him many times, and which will take you to a Jannah as wide as are the heavens and the earth in an unending happiness, and you will be graced by Allah because of that by seven characteristics mentioned by the prophet peace and blessings of Allah be upon him about the virtue of martyrdom for the sake of Allah.

O' honourable mujahidin brothers! Remember your vow to Allah, and do not forget the obligation placed upon you to support your religion, since reviving the worship of jihad in Eastern Turkestan and raising the banner of Tawhid high a holy obligation placed upon us all, here are your mujahidin brothers in the land of Khorasan and land of Al-Sham spending their days in jihad for the sake of Allah tasting by that pride and dignity, and we call all the Muslims of Turkestan to join us in the life of jihad and be blessed with pride and dignity, to be a reason in ripping the ranks of the enemies of Allah the Chinese, and attack every legitimate target with painful perfect strikes Allah willing! Allah is our Lord and there is no lord for you.

Prophet peace and blessings of Allah be upon him said: "Of the men he lives the best life who holds the reins of his horse (ever ready to march) in the way of Allah, flies on its back whenever he hears a fearful shriek, or a call for help, flies to it seeking death at places where it can be expected". Narrated by Muslim.

And Allah is the master of His affair, but most people do not know.
